Introduction

Chapter 1 Introduction

Place text here

The user guide is divided into TBD parts:

- *Part 1 Introduction*
- *Part 1 Getting Started*
- *Part 1 Modules*
- *Part 1 Miscellaneous*

Part 1 of this user guide provides this introduction, the various license platforms and installation of the software on a local PC, as well as a high level overview of each of the software modules within the exSILentia® Software. Part 2 covers all steps needed to getting you started using the exSILentia® software ranging from project setup and configuration to the use of libraries as part of the base exSILentia® platform. Part 3 provides detailed guidance for each of the exSILentia® modules (detailed guidance for the SILalarm™ and exSILentia® Cyber modules is provided in separate User Guides). Part 3 provides detailed guidance for the exSILentia® SILalarm™ module (detailed guidance for the other exSILentia® modules and the exSILentia® Cyber modules is provided in separate User Guides). Part 3 provides detailed guidance for the exSILentia® Cyber modules (detailed guidance for the other exSILentia® modules and the exSILentia® SILalarm™ module is provided in separate User Guides). Part 4 covers Abbreviations, Terms and Definitions, Disclaimer and Assumptions as well as the exSILentia® Software License Agreement, Open Source Disclosure, and an Index.

If this user guide does not answer your questions you can contact the exSILentia® Support Team via <http://support.exida.com>.
